# ABOUT US

## Who is College SA?

College SA, a registered trademark of Optimi College, is a private registered college that offers accredited qualifications and short courses for adult learners.

Since 1996, College SA has assisted thousands of students to complete their studies and achieve their educational goals. We pride ourselves on offering accessible and affordable education for anyone – from adult matric certificates to top quality industry-recognised diplomas and internationally recognised IT certifications.

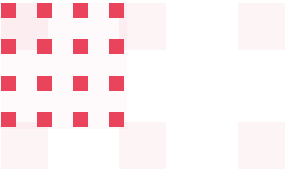

## What do we do?

Our products include accredited qualifications (occupational certificates, learnerships, and AET courses), industry certifications (CIMA, NEBOSH, CompTIA, PMI, etc.), and adult short courses. We are a licensed Skillsoft distributor in Southern Africa, giving our learners access to globally recognised certifications (Microsoft, AWS, Oracle, etc.).

We partner with organisations to provide world-class learning solutions, including facilitator-led workforce training, skills development consulting and sponsored community education programmes.

Our courses are aligned with the relevant South African regulatory frameworks (DHET, QCTO, SETAs), delivered using distance, online, or on-site learning options.

# WHY CHOOSE US

## Our Affordability

We believe that everyone deserves the right to education, so we structure our course fees in such a manner that it remains affordable and accessible to prospective students.

## Our Student Support

College SA has a dedicated team of support staff that ensures our students have the best possible study experience.

## Our Modes of Learning

College SA recognises the importance of flexibility in education, which is why the majority of our courses are offered either via distance or online learning.

## Our Reputation

College SA is a leading provider of occupational education and skills training for adult learners and organisations in South Africa.

At Optimi, we recognise that education will lead to a better future. We are inspired by people who keep moving forward in life. Ours is a story driven by the passion for learning, for teaching, and for accomplishing one's goals through education. We are committed to supporting every step of your learning journey.

# OUR FIELDS OF EXPERTISE

## Adult Education

The Amended Senior Certificate is a programme that is specifically designed for adults (aged above 21 years) who did not complete or pass their Grade 12. This programme is specifically aimed at adults and out-of-school learners that want to obtain their matric equivalent.

## Business Functions

Covering areas such as Administration & Customer Services, Finance & Accounting, Human Resources, IT, Management & Leadership, Marketing & Sales, Project Management, and Occupational Health & Safety, the courses in this field equip you with practical, industry-relevant skills to grow your career and achieve your goals.

## Industry Specialisation

These courses provide practical training in niche fields. Explore programmes in Beauty Therapy, Childcare, and Events Management. Gain hands-on experience and industry-relevant knowledge to build a rewarding career in your chosen area of expertise.

## Workplace Training Solutions

Unlocking your employees' potential is a catalyst for unlimited growth. We empower businesses and individuals through tailored learning solutions that foster growth, enhance competitiveness, and create a meaningful societal impact.

# OUR MODES OF LEARNING

## Distance Learning

Distance learning courses provide students with the flexibility to access education from anywhere in the world, without the need to physically attend classes in a lecture hall or on campus.

## Benefits

- No Classes
- Affordable payment options
- Breaking barriers with low entry level requirements
- Flexibility

## Online Learning

Our online learning experience is designed to accommodate students' busy schedules. This learning method is perfect for individuals seeking a healthy work-life balance or those who prefer studying from the comfort of their own homes, as long as they have the necessary technology and internet access.

## Benefits

- Easier course load
- Online classrooms, forums, and tutors
- Accessibility
- Demonstrate time management and ambition

# OUR ACCREDITATION

## Association of Private Providers of Education, Training and Development (APPETD)

The Association of Private of Education Training and Development (APPETD) is the leading body for private education providers in South Africa. They protect and serve the interest of private education institutes and promote the skills, expertise and quality service that the providers contribute to the Education, Training and Development Practices (ETDP) industry. We are a member of the Association of Private Providers of Education, Training and Development (APPETD).

Our membership number is: MEM2017/076.

## The Quality Council for Trades and Occupations (QCTO)

The QCTO is one of three Quality Councils (QCs) responsible for a part of the National Qualifications Framework (NQF). The roles of the Quality Councils and the South African Qualifications Authority (SAQA) are to advance the objectives of the NQF and oversee its development and implementation and to offer guidance to service providers that must be accredited by the QCTO to offer occupational qualifications.

Our accreditation number is: 01-QCTO/SDPI20223073946.

## The Chartered Institute of Management Accountants (CIMA)

The Chartered Institute of Management Accountants (CIMA) is the global professional management accounting body. CIMA is committed to elevating the profession and works closely with employers – updating their qualifications, professional experience requirements and continuing professional development programme to ensure their continuing relevance to business. Optimi College is an accredited CIMA Tuition Provider and offers the CIMA Certificate in Business Accounting.

# INTERNATIONAL STUDENTS

- For accredited courses you would need to approach SAQA and submit your highest qualification for evaluation against South African standards.
- If living in South Africa, we would need a permit from Home Affairs, and you should have an active South African bank account.
- If you are living outside South African Borders, we will need to make an alternative payment arrangement. Please be aware that there will be extra charges for delivery of study material.
